October 1st – December 10th In the U.P. MI. – traveling to Canada, Wisconsin, Indiana and Ohio.

December 11th In Jacksonville FL.

January 15th Flying back to Thailand from Missouri.

PRAYER ITEMS

- Traveling to America on the 14th of May
- Our truck is going on 28 years old and is getting less dependable, so we want to trust the Lord for wisdom about what to do about it (i.e. Replace or major repair.).
- Continued good relationship with Governmental officials.
- Continued good relationship with co-workers.
- Receptive hearts as people hear God's Word.
- Camilla - As she begins her time at Liberty University.
- Hannah - Graduating in May, adjusting to America and attending Liberty University .
- Christiane - as she continues to work on Culture and Language study.

Ministry

Pre-Evangelism and Curriculum Development

Martin, Laurie, and I (Dan) have fully completed Culture Language Study. Our next step will be pre-evangelism and curriculum development. In pre-evangelism we will ask detailed questions to get people to think about their world view. Our goal in curriculum development will be to create lessons about Biblical themes that are clearly understood in the heart language of the people. This is an exciting time for us to put into practice all the things we have studied. We look forward to what the Lord is going to do in the days ahead.

Ongoing Projects

1. **Eyeglass Project** – This is the 3rd time for the eyeglass project and we were able to provide 45 pairs of glasses. Some folks just use them for reading, while others need them to see everything. One older lady commented. “I can see the leaves on the trees again”. What a joy to see the smiles on their faces.

2. **Cricket Project** – Last year our family and one other lady – Sagnuan raised crickets for a full year to learn the cycles of a cricket and the best way to raise them. In the beginning of April we were able to use our new skill of cricket breeding ☺ and help five families start raising cricket on their own. Each family received 3 bins and starter crickets. Sagnuan taught the group the whole process and the do’s and don’ts of raising crickets. Crickets are a good source of protein and the folks here enjoy eating them. They can be eaten stir fried or chopped up for other meat dishes.

Family News

Camilla

Camilla has been accepted to attend Liberty University in the fall of 2014. She plans on studying pre-med. with the goal of becoming a medical examiner. Her plan is to continue working at Chick-fil-a until July and start at Liberty University in August . It has been so good to see how God has blessed Camilla with better health which has enabled her to work and even put in overtime hours so she save money. She is doing so well and we praise God for His undertaking for her.

Hannah

Hannah has also been accepted to attend Liberty University the fall of 2014. She plans on studying Criminal Justice as her major. It has been amazing to see God prepare the way for Hannah to go to Liberty. He has certainly provided beyond all we could ask or think. Hannah looks forward to start school on August 12th . She will be finished with high school at the end of April. Please be praying for her - there will be much adjustment for her in the days and weeks ahead.

Praise Item

We want to praise God for the funds
to purchase our plane tickets to
America .

We want to praise God for the way
He has gone before Camilla and
Hannah.

We want to praise God that Martin
and Laurie are now finished with their
formal Culture and Language study.

We want to praise God for our co-
workers Martin & Christiane
Schumacher.

We praise God for the people who
stand with us in prayer and support.

April, 2014

CULTURAL TID-BIT “พิธีผีปอบ”

“ Evil Spirit Ceremony”

There have been three deaths and five ladies possessed by spirits in a short amount of time. The people are in fear and have asked the village leadership to find a specialist that can chase the evil spirits out of the village. Money is collected from the whole village, a ceremony is performed, evil spirits are chased around the village and captured in jars and lastly special made wreaths are made and placed at each house and on the entrance to the village to let the evil spirits know they are not wanted in the village. Recently our English students all came to class wearing extra amulets around their necks and strings tied around their wrists. They all were expressing their fear of the spirits, afraid of being attacked next. – Pray these folks will accept Christ, Who has the power over the spirits.
