

2013

NEW ADVENTURES

Missouri, here we come!

Life in Missouri

Daily Life

We both will attend morning classes Monday-Friday (Judah will be in childcare). Classes cover anything from church planting and linguistics to small engine repair. Afternoons are spent helping with work around the MTC campus, small groups, chapel, and serving in ministry at a local church.

Financial Needs

The fees for this semester (Aug-Dec) for our family will be **\$6,512**, which covers tuition, housing, utilities, and childcare. As it is recommended not to work while attending the MTC, we will also depend on financial support for our monthly expenses (groceries, gas, insurance...), which we estimate will be about **\$1000** per month.

How to Help

If you want to support us financially, there are two options:

1. To send money toward our **semester expenses**, you can make out a check to NTM and send it *NTM, PO Box 1200, Camdenton, MO 65020* (add a note that says: "John&Asmara Anyan, school bill").
2. To send money toward our **personal/ monthly expenses**, you can send a check directly to us at our new address: *Anyan, 134 Main Dr, Roach, MO 65787*.

You can also give through Nine Mile Falls Community Church. *Please let us know if you decide to support us monthly.*

JOHN, ASMARA, JUDAH & BABY #2

“Go and make disciples of all nations, baptizing them in the name of the Father, and the Son, and the Holy Spirit, and teaching them to obey everything I have commanded you.”

-Matthew 28:19-20-

Our journey began long ago with a little boy and his dream to become a missionary. Over the years of growing into a man, that dream never changed. So in 2010, after much research and prayer, John and I felt called to apply to **New Tribes Mission (NTM)**, an organization whose goal is to plant tribal churches among unreached people groups around the world (www.ntm.org).

Well, God's timing isn't our timing, and a surprise pregnancy and increased pastoral duties caused us to move our application back several times over the last years. Now, in 2013, we truly hear God's voice telling us: **"Go!"** -- And where do we go? Camdenton, Missouri! That's where the **Missionary Training Center (MTC)** is located, where we will spend 3 semesters being trained and educated to become long-term

missionaries. We have been accepted as new students to start in August, and we are very excited to begin this new chapter in our lives!

We truly believe that **prayer** is the most powerful tool you have to help us! And we appreciate and covet **every single prayer** that is brought up to our God Almighty on our behalf.

- *Pray for a safe delivery for baby#2 and that God would provide us with a support system for raising our two boys.*
- *Pray that God would lead us to serve in the church ministries He wants us to.*
- *Pray for us to experience God more fully in times of difficulty and in times of blessings.*

Thank you!!! In Christ's amazing love,
John, Asmara, Judah & Baby #2
