Winter 2017

NTM Is Now Ethnos360

While our focus remains the same, we have decided to change our name to *Ethnos360* to allow us to continue to work in various locations.

The word *Ethnos* is the Greek word translated as *nations* in Matt 28:19. It is best translated as *people groups* and reveals God's intended audience for His Gospel.

360 represents the whole world. Our goal is to go wherever in the world is necessary to see a thriving church for every people.

Our New Headquarters Building!

75th Anniversary

This year was a landmark celebration for our organization. We are celebrating 75 years of God's faithfulness to His people and His work!

In that time, by God's grace Ethnos360 has:

- ♦ 1200+ Churches Planted
- ♦ 90 New Testament Translations Completed
- ♦ 114 NT Translations in Progress
- ♦ 334 People Groups Reached
- ♦ 12 National Training Programs

We had the privilege of bringing some local pastors to our new headquarters building for a luncheon.

Financial Needs

Many of our friends and supporters have asked us how they can help. Please continue to pray for us and for our ministry. Please also consider how you can participate in our ministry by helping to meet some of our financial needs.

Monthly Gifts

Regular monthly or annual contributions is what provides for our income and ministry expenses.

We need another \$600/mo to reach 100% of our recommended support level.

We are trusting God to meet this goal by the end of the year. Your regular contributions of any amount help to make that possible.

One Time Gifts

Another way to help is a one time gift, which can help us pay off those remaining expenses that were unexpected and make up for the shortage in monthly giving.

Prayer Requests

Please pray for Jacqueline as she faces ongoing health challenges.

Please pray for our ongoing house repairs from the hurricanes.

Pray for more laborers!

Ministry Advancement

We are continuing to serve as representatives for Ethnos360. Our slogan is:

“Connecting you to tribes waiting to hear”

We want to help people understand the needs of the unreached and assist them with getting involved. There is a huge gap between interest in missions and participation in missions. That is where we come in. We help to educate and come along side interested individuals and help them navigate the many challenges they may encounter.

Fulfilling The Great Commission is a team effort. Thank you for playing your part! We praise God for the opportunities we’ve had to help people understand the need and for those who have responded like Olivia (below) who has begun her missionary training at Ethnos360 Bible Institute in Jackson, MI.
