Hearing for the First Time!

Jon Myers Teaching in the Kaje Language

The Kaje People - Papua New Guinea

"Jesus died for my sins. He Didn't have any sin, but He died for me. Now I know He died so He could remove my sins." - Maria's Testimony

As we write this letter, the Kaje people group in Papua New Guinea has just learned about Jesus' substitutionary sacrifice for the very first time. The Kaje church is born!

Jacqueline and I had the privilege of helping to train the missionaries there, the Myers and the Goheens.

Keith Sharing About the Needs of the Unreached

Heart Language

Learning a second language to fluency is a daunting task, requiring a minimum of 4000 hrs of focused language study while being immersed cross-culturally. But the message we have to share makes it worthwhile.

*The missionary task is, "to preach the Good News where the name of Christ has never been heard."
- Rom 15:20*

Unreached People Groups have their own distinct language that no-one knows except the natives. This barrier is what has kept them isolated from the Gospel.

The Complexity of Language

Consider the challenge of communicating emotions and other abstract concepts, even in your own native language. The concepts of grace, love, and mercy are not always universal and are often distorted.

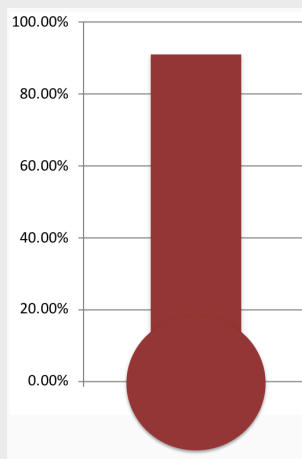

To teach God's word in a way that speaks directly to the heart of the hearer, we must understand the mind of the people and how they will most likely interpret the ideas we are presenting to them. This is why our missionaries often spend 3-5 years of language study before they begin translation and teaching.

Financial Needs

Many of our friends and supporters have asked us how they can help. Please consider how you can partner with us by helping to meet some of our financial needs.

Monthly Gifts

Regular monthly or annual contributions are what provides for our income and ministry expenses.

We are currently receiving 90% of our recommended support level.

We have supporters between \$20-\$350/mo. We are trusting God to meet this goal by the end of the year. Your regular contributions of *any* amount help to make that possible.

One Time Gifts

Another way to help is a one time gift, which can help make up for the shortage in monthly giving.

Prayer Requests

- Please pray for our medical, housing, and financial needs
- Please pray for the continued success of the Alumni Program
- Please pray for more missionaries!

Sharing About Alumni Coaching at Ethnos360 Bible Institute

Alumni Coaching

We are continuing to work with graduates from the Ethnos360 Bible Institute as they move toward the next phase of their missionary training. It is a privilege to come alongside them to help them navigate the many challenges they face as they take one step of faith at a time.

Partnership Opportunity

Your Investment in Our Ministry:

- *Raises awareness about the remaining 2500 Unreached People Groups*
- *Challenges others to consider going as missionaries*
- *Engages volunteers to serve at Ethnos360 HQ and Training Centers*
- *Coaches missionary candidates as they move through the training process*
- *Works to help US churches to develop focused missions programs*
- *Helps others direct their finances beyond the .01% average amount that goes to Unreached People Groups*
- *Shares in the success of the front-line missionaries that we have trained along the way (like the Myers and Goheens with the Kaje)*

As full-time missionaries, we are dependent upon donations to meet our financial needs so that we can continue to focus on our ministry roles. Would you consider partnering with us? Let's work together to communicate the Good News in the heart language of each and every people group.

This Christmas, let's praise God together for the greatest Gift, eternal life through Jesus.
