Our dear friends from our church here in FL are currently serving among the Inuit people of Northern Canada. It is an incredibly challenging language and harsh environment.

Please pray for them as they are still in full-time culture and language study. Specifically, they have had difficulty getting and maintaining good language helpers. It is also a slow process of being accepted into their friend and family circles. Please keep them in your prayers.

How Do You Train a Missionary?

Ethnos360 has 3000 missionaries serving in various capacities all around the world. They are all working together to help translate the scriptures and establish a mature indigenous church. In many of these remote areas even daily living can be a challenge. How do you prepare someone for such a task? We look to develop missionaries in these 3 key areas during their training.

Bible ♦ Character ♦ Ministry

Bible At EBI (Ethnos360 Bible Institute) students spend two years developing a Biblical world-view being equipped to be able to accurately teach others about the Lord.

Character As a missionary is conformed to the image of Christ they will be better prepared to thrive in challenging circumstances and open doors of receptivity to their audience.

Ministry Our missionary candidates must learn/develop the necessary skills to learn an unwritten language, adapt to a foreign culture, build deep friendships and clearly communicate God's Word across language and culture barriers.

Jacqueline and I spend most of our time helping EBI students and Alumni develop in all three of these areas with a focus on spiritual development. We are always keeping in mind what we are preparing them for.

Financial Needs

We have been below our support level for several years and are looking to God to get to 100%.

We are at 78% of our Support Level

Ways You Can Help

1 Regular Giving

Regular monthly or annual contributions are what we rely on for our living and ministry expenses. Please consider giving regularly or a small increase in your regular giving, if you are able.

2 One-Time Gifts

Another way to help is a one-time gift, which can help make up for the shortage in regular giving.

3 Share with Others

Please consider sharing our situation with others so they too can be a part of this ministry.

Prayer Requests

- Please pray for our financial needs and good health
- Please pray for the continued success of Alumni Coaching
- Please pray for more missionaries!

"As I reflect on my friendship with Keith and Jacqueline over the years, I can't help but be grateful to God for putting them in my life. They have diligently lived out and taught the word of God. Discipleship is at the core of who they are, seeking to help others find intimacy with Jesus. I've been blessed in countless ways by their ministry as I endeavor to start my own." -Daniel
